

National recognition

These competencies have been drawn from the nationally endorsed industry training package the Community Services Training Package (CHC). Upon successful completion of the training and assessment, the qualification CHC30113 Certificate III in Early Childhood Education and Care will be issued. A transcript listing all units of competency will also be issued. The qualification and units of competency are nationally recognised and provide individuals with a valuable qualification that can be applied throughout Australia and the wider children's services community.

Program outline

Training is delivered in a blended mode classroom based delivery which is trainer led combined with self-paced learning and periodic visits at the workplace. Written learning activities will reinforce theoretical knowledge, and skills will be practiced in the workplace where learning will be placed into context. Visits by Optimistic Futures trainers to the student's workplace will be undertaken. The primary purpose of workplace visits is to undertake assessment and collect workplace evidence. Participants will be provided with reference material to assist them to develop their knowledge of the subject.

Location

Classes will be delivered at: Optimistic Futures, 4 Lytton St Glenroy 3046.

Expected duration

The program is designed to be delivered over 52 weeks. Optimistic Futures is able to support participants that need additional time and can assist those participants that require assistance with LL&N (language, Literacy & Numeracy).

Face to face in class (6 hours a day (including half hour break) and one day a week for 52 weeks)	286 Hours
Trainer / Assessor Contact time with student individually over a period of 52 weeks	23 Hours
Work placement	120 Hours
Home Study, research, Assessments etc.	791 Hours
Total	1,220 Hours

A list of all elective units of competency available can be viewed at <http://training.gov.au/Training/Details/CHC30113>

CHC30113 Certificate III in Early Childhood Education and Care

Introduction

Optimistic Futures is a Registered Training Organization (RTO number 41053) registered with the Australian Skills Quality Authority. Optimistic Futures is proud to offer the Certificate III in Early Education and Care as 52 weeks course, based on face to face / blended program. This program provides learners with skills and knowledge required to provide care for individual and groups of children. This includes planning activities facilitating their leisure and play, enabling them to achieve their developmental outcomes. If you work in or wish to pursue a career within the child care industry, this is the course for you.

This qualification reflects the role of workers in a range of early childhood education settings. Students will learn to support the implementation of an approved learning framework, and support children's wellbeing, learning and development. Depending on the setting, educators may work under direct supervision or autonomously in a range of child care facilities such as full day care center, occasional care facilities, and early learning center as an Early Childhood Educator.

Optimistic Futures is responsible under the National Vocational Education and Training Regulator Act 2011 for the quality of the training and assessment being delivered in this course and for the issuance of all AQF certificates.

Possible Job Outcomes

- Early childhood educator
- Outside school hours care assistant Personal care assistant
- Playgroup supervisor In-home respite worker
- Recreation assistant
- Family day care worker Community support worker
- Nanny
- Childhood educator Community care worker
- Reliever
- Childhood educator assistant

Entry requirements

All students will need to have a current Working with Children check to be able to undertake the practical component of this training.

This course has been designed with the target client being an existing worker in the child care sector. The assessment model and timeframe assumes that the student has an existing workplace to apply context and has some experience.

Working with Children Check

All persons working in an early childhood services must have a current Working with Children Check issued by the relevant State or Territory in which they work.

Recognition of Prior Learning

Applicants can apply for recognition of their existing skills and knowledge that are relevant to the units of competency within the program. These skills and knowledge may have been obtained through workplace training or experience and may reduce the number of units required to be completed during the program. Students are encouraged to notify Optimistic Futures of their interest or intention to apply for RPL prior to their enrolment.

Student Information

Detailed student information is available within our Student Handbook which is supplied with the enrolment package. This Booklets contains important information about a student's rights and obligations such as their right to privacy, a safe training environment and the right to complaint or appeal an assessment decision. It is important that persons applying for enrolment must have had reviewed this information first.

Students are expected to keep a notebook and pen to take notes.

Dress and Appearance

Students are required to present to class in neat, casual attire suitable for participation in practical activities. Specific clothing may be required at work placement and depends upon specific requirements of that work place. For more information please talk to your trainer / assessor.

or alternatively please call our office for further information.

Cooling Off Period:

The standards for Registered Training Organisations require an RTO to inform the prospective students of their right to statutory cooling off period. A statutory cooling off period of 10 days is applicable under Consumer Law to withdraw from a consumer agreement, if the agreement has been through unsolicited marketing and sales tactics. However, it may be noted that we do not engage in any aggressive marketing tactics like door to door marketing, hence Statutory cooling off period will not as such be applicable to our students who have enrolled into a program. However, for refund options students may refer to our refund policy available in Student Handbook

For refund policy please refer student handbook.
