Mode of Delivery

Delivery of this course will be trainer led, face to face in a classroom setting combined with skills practice assessment.

Course Duration

The course duration for HLTAID003- Provide First Aid is over 2 day

Course Location

Optimistic Futures: 4 Lytton street Glenroy 3046

Course Commencement Dates

Course dates and times do vary. Please call us for more information on dates scheduled or alternately check our website www.optimisticfutures.com.au

Course Materials

Learner training is supported through the provision of quality learning materials and resources. Learners should attend the course in comfortable appropriate clothing. All equipment and consumable is supplied as part of the course

Assessment Summary

The student will be assessed by demonstrating procedure applicable to this unit. They will also be required to answer a number of oral and written questions regarding their actions and theoretical application of knowledge. The assessment will also be part of a simulated activity set by the assessor. This activity must be conducted by an assessor or Optimistic Futures and must be completed in the workplace or in another environment that accurately simulates the workplace. The assessor is to actively set tasks for the student and must observe these tasks being performed.

To standardise the application of the assessment, the assessment tasks (required skills and knowledge) are based on those specified in the Unit of Competency, HLTAID003- Provide First Aid. The assessor will use an assessment instrument mapped accordingly to the assessment requirements of this unit of competency. Assessors will apply an assessment procedure to ensure you are ready for the assessment and have the right resources and equipment to achieve the right standard.

Course Topics

- The DRSABCD Action Plan
- Managing unconscious casualties
- Cardiopulmonary Resuscitation (CPR)
- Using an External Automated Defibrillator (AED)
